Principal’s Report

Anzac Events
This year we commemorated 100 years since the Gallipoli landing which was a significant event in our history. On Wednesday Mrs Cole and Mrs Berry took the senior choir to Fromelles Manor to perform as part of their service. Our students were outstanding and received many positive comments from the audience for their rendition of ‘Oh Valiant Heart’ and ‘Advance Australia Fair’.

On Friday our captains and senior students led a moving Anzac Ceremony. We were joined by Mrs Terry Beers from the RSL and the students were incredibly respectful. Thanks to Mrs Clark for her organisation, all the staff who contributed and parents and community for their support. Readings from students in 2/3S added to the occasion.

The Anzac March on Saturday was very well attended and I thank students (and their parents/carers) for making the effort to be a part of the school contingent.

Positive Behaviour for Learning (PBL)
This term school staff will be concentrating on transitions to ensure students move between settings and activities in a sensible and safe manner. Staff will be reinforcing and re-teaching what is expected at transitions while at school.

Boys Basketball
This week Julien, Cooper M-E, Keifer, Ethan W and Josh W are competing in the State Titles in Wollongong as members of the North Coast Basketball team. We wish the boys the best of luck and congratulate them on their selection.

‘The Shed’
I would like to thank Bunnings for their donation of hardware supplies to assist the program Mr Butler is running in the ‘shed’. Selected students are working with Mr Butler to create woodwork pieces.

Gates
To ensure the safety of students, the entrance gates for the school will be closed at 9.15am and re-opened after lunch. The gate near the office in Pound Street will be open all day. Please be sure to use this gate if you need to access the school during the day. I apologise for any inconvenience. Please be sure not to block driveways when stopping near the school.

Positive Behaviour for Learning (PBL)
The school rules are explicitly taught in all classrooms at our school. Students are also taught what each of these rules look like in different settings across the school. The students are expected to be able to name and talk about our School Rules.
The school rules are the 3Rs: RIGHTS, RESPECT, RESPONSIBILITY

- RIGHTS – Be Safe and Learn
- RESPECT – Be Caring and Polite
- RESPONSIBILITY – Be Accountable

For the next 5 weeks we will be focusing on transitions – moving around the school respectfully.

Be Respectful, Wear correct uniform, Speak politely, Follow staff instructions, Be punctual
