Creative Arts Camp

On Sunday the 26th July, seven students from our school and Mrs. Cole went to Creative Arts camp at Lennox Head. Daisy and Alyssa went for concert band, Maia, Ella and Keira went for dance, Emmeline went for vocal ensemble and Redmond went for visual arts. There they studied these subjects as well as choir and some amazing recreational groups such as high ropes, archery, kayaking, going to the beach and bike riding. These children also got to choose one great elective to do every afternoon like movie making, song writing, rock band, masks and marionettes. On the Friday before they went they performed in a huge concert full of drama, music, art, songs, movies and dancing. These talented children worked so hard that by Friday even though they were tired they still did a great job at the concert.

By Alyssa and Maia, 5/6W
Principal’s Report
After three weeks away I am excited and re-energised about returning to Lismore Public School. I would like to thank the executive staff who covered for me during my absence: Annie McDonald, Liz Short, Kathryn Clark and Jenny Lumley.

Athletics Carnival
Thank you to the staff and parents who made Friday's athletics carnival such a success. In particular, thanks to Mr Davies and Mrs Duroux for their organisation. Well done to all involved.

Kindergarten Out of Zone Applications
We are in the process of organising classes for 2016. There is the expectation that children will attend their local zoned school. Non-local schools may consider placements if they are available and children meet criteria. Families are encouraged to contact their local school for more information. Please note that Lismore Public School’s out of zone applications for Kindergarten in 2016 close Friday 21st August.

Education Minister Visit
Next Thursday our Education Minister, the Honourable Adrian Piccoli, will be visiting Lismore Public School. This will be an exciting event for LPS as Mr Piccoli looks at what is occurring at Lismore Public School around staff professional learning and improving student outcomes through the Early Action for Success (EaFS) program.

P&C
Don’t forget we have a P&C meeting this evening in the staffroom from 6.00pm. I look forward to seeing you there.

Congratulations to Ms Short & Mr Hoskins.....
Who are now officially Mr & Mrs Hoskins.

Martin Gill
Principal

Voluntary School Contributions Draw
You have to be in it to win it!!!
We have tickets for 2 adults and 2 children to Sea World on the Gold Coast being drawn at assembly on Friday 21st August.

The school supplies students with all their books, pens, pencils and other supplies which are funded through the school contribution. Your contribution makes this all possible.

If you have paid the voluntary school contribution or you pay by Friday 21st (am) your child will be in the draw to win these great tickets.

School fees at $35 a year for one child and $70 a year for families two or more. You can pay by cash, cheque, eftpos, parent online payment or credit over the phone.
Thank you to all the families who have already paid.
RESPECT - Be Caring and Polite

Mufti Day – Friday 14th August
The Lismore Public School SRC is holding a mufti day to support the Westpac Lifesaver Rescue Helicopter. Come to school dressed in red and yellow, bring a gold coin donation and support this worthy cause.

Positive Behaviour for Learning (PBL)

Focus this week is: STOP! LOOK! LISTEN! Ask your child/ren if they can show you how it looks

1. Use equipment properly
2. Wash your hands
3. Be responsibly with water
4. Put rubbish in the bin
5. Eat and play in the playground

TOILETS

Lismore High School Science Outreach Program
Term 3 has started with a bang and so have our Primary Science workshops!
This term Miss Hall, science teacher and 2016 Year 7 advisor from Lismore High School is continuing the Stage 3 science outreach classes as a means to increase primary students’ hands-on activities in science and aid in the transition from primary school to high school.
Last term Miss Hall welcomed Lismore Public’s Stage 3 students to her laboratory in the secondary school. Students completed science investigations around the study theme ‘Space’, which included making their own alien slime!
This term Stage 3 will embark on a journey to understand ecosystems, animal adaptations and our living world. What better way to start this unit with a ‘habitat walk’ around the school! We were blessed with blue sky, plenty of insects and 3 keen classes of ‘ecologist’.
Thanks for your participation and enthusiasm Stage 3. See you again soon,

Miss Hall

LPS Students working with Lismore High School students and Macquarie University for the National Indigenous Science Education Program (NISEP)

LPS Students modelling the theory of convection currents inside the earth.

Space in a bowl! LPS Students testing the theory of accretion.
