Dorroughby Excursion

Dorroughby Year 4 Excursion

It has been a few weeks now since Year 4 headed off on their excursion to Dorroughby Education Centre but the memories remain with us. The students and teachers had a wonderful time. We enjoyed the beautiful weather and the outdoors. The rainforest walk near Minion Falls and the platypus watching at the dam were some of the highlights. The student’s behaviour was wonderful and I am sure parents would be very proud of their children on their first overnight school excursion.

Thanks to Carol, Brian and Ms Hendricks for their support on this excursion.

Congratulations to LPS Girls Touch Football Team.

The girls touch football team did our school proud by an outstanding performance at Hepburn Park on Monday. They defeated Wyrallah Road PS 13 to 3 and lost narrowly to Lennox Head PS 7 to 5.

Well done girls.

School Concert

I would like to thank Juanita Hendricks and the staff involved in the organisation of this week’s school concert ‘Timothy’s Time Machine’. The enthusiasm of the students and quality of the class performances are outstanding. Thanks also to Dave Hoskins and Josh Rooke for their work on backdrops, lighting and sound. I know the school community will enjoy the show!

Kindergarten 2016

I am in the process of organising classes for 2016. If you know of anyone intending to enrol their child in Kindergarten for 2016, could you please encourage them to contact the school office by the end of this term.

Holidays

I hope children enjoy some time away from school during the vacation period. Please note that school recommences for staff and students on Tuesday 6th October.

Schools Spectacular update

A big thank you to all who supported us last week. We had a big week for fundraising. Bunnings, odd sock day/sausage sizzle and then to top it off ODDBALL on Sunday. It was all a great success. Thank you to the choir who attended and their family and friends who supported them at Bunnings. The acoustics were incredible. With the high ceiling it sounded like the choir was singing in a cathedral. Well done kids!

Thank you everyone for your support for Odd Sock day and the bbq on Friday. These activities raised $297 for the choir students.

The movie ‘Oddball’ was enjoyable family activity at the Lismore cinema on Sunday afternoon. This fundraiser raised $783.50 from the movie and the small raffle for the day.

Our next fundraiser is our big one - a car wash at the school on Friday, 9th and Saturday, 10th October. This is at the end of the first week back from school holidays so be the first to book a time to have your car washed and seal a place or just turn up on the day. To book a time please phone Leanne on 0415 643 260. Sit back and relax - grab yourself a bite to eat and drink as we are having a bbq and cake stall as well. Everyone is welcome to take up this opportunity so let your family and friends know about it and support these young students singing at the Schools Spectacular.

Thank you

Posters are being displayed around the school and in the local community promoting the major raffle. Choir students will be selling tickets for this raffle outside the front office at school before school each day until the raffle is drawn on Friday, 30th October at the school assembly. Tickets may also be purchased near the visitor sign-on book in the office foyer throughout the day.

Music lessons

Please remember to pay term fees before the end of this term for your child to continue music lessons with Andrew and Ian in term 4. There are still a limited number of school instruments available for hire for any students wishing to start learning the flute, clarinet or guitar.

A visit to the school by Masters Lismore

On Friday, 4th September, Leanne and Rebecca from Masters Lismore visited Lismore Public School to have a look at what has been achieved with the garden beds they donated for the Infant’s Area. Four students from 2G showed Leanne and Rebecca the gardens and picked some beautiful lettuce for the canteen. Masters were very impressed with what has been achieved with the gardens and have agreed to supply more seedlings to the school in the future. They hoped the children would enjoy caring for the plants and picking and eating their crops.
